Hello Angelica,

While the claims may have been submitted timely, any data submitted after the claims deadline will be considered untimely. We will be sending deficiency notices for this project. However, the project is simply not at that point yet.

Let me know if you have any additional questions.

Thanks,

Jeremy Bailey

Hi Jeremy:

I'm a bit confused here as this is data for claims that were submitted timely and we have not received deficiency letters for any of the claims we filed.

Are deficiency letters not being sent out for this case?

Thanks,

Angela Rivera
